

CASE STUDY

CATEGORY: BUSINESS TRANSLATION SERVICES

LOCATION: INDIA

GENERAL PROJECT OVERVIEW

A CS (company secretary) firm required certified translations of company registration documents and auditor reports from Italian to English. These translations were essential for regulatory compliance to register a foreign company in India.

THE CHALLENGE

The documents included business and financial content, such as notarised registry records and auditor reports. Precision was critical since these documents were to be submitted to the Indian government authorities. Any errors or ambiguities could delay or jeopardize the registration process.

THE OUTCOME

CERTIFIED FINANCIAL & LEGAL TRANSLATION

Delivered accurate translations from Italian to English, ensuring linguistic and financial precision.

EXPERT PROOFING & VALIDATION

Applied rigorous proofing by subject-matter experts to maintain accuracy and compliance.

OFFICIAL CERTIFICATION & FORMATTING

Provided certified, stamped translations printed on official letterheads as required for legal acceptance.

GOVERNMENT AUTHORITY ACCEPTANCE

Translated documents were successfully accepted by relevant government offices.

SEAMLESS REGULATORY COMPLIANCE

Enabled smooth company registration and statutory compliance with the Registrar of Companies, Ministry of Commerce and Ministry of External Affairs (India).

ABOUT THE CLIENT

The client redefined the concept of a "mega firm" dedicated to Practicing CS in the profession of Company Secretaries in the year 2000. The client firmly believes in the "future ready" mode to meet the challenges of today's dynamic global economy.
