

CASE STUDY

CATEGORY:  
FINANCIAL  
TRANSLATION SERVICES

LOCATION: INDIA (MULTIPLE STATES)

GENERAL PROJECT OVERVIEW

A Swiss multinational company operating in the textile sector required certified translations of financial documents from German to English. These translations were mandatory for submission as proof while opening a Demat (share trading) account in India.

THE CHALLENGE

The task involved handling sensitive financial documents such as profit and loss accounts, balance sheets, and auditor reports. Confidentiality, accuracy, formatting, and certification were critical to ensure that the translations were accepted by the Indian financial authorities without delay.

THE OUTCOME

CERTIFIED FINANCIAL TRANSLATION

Translated the complete set of financial documents from German to English with expert financial proofing.

REGULATORY-COMPLIANT CERTIFICATION

Provided stamped, certified translations printed on official letterheads, meeting all regulatory standards.

SMOOTH REGULATORY SUBMISSION

Enabled the client to successfully submit documents for Demat account opening in India.

ACCURATE & RELIABLE OUTPUT

Ensured precision and compliance across all translated financial content, facilitating seamless processing.

ABOUT THE CLIENT

The client is the world's leading supplier of systems for short-staple fiber spinning. Based in Winterthur (Switzerland), the company develops and manufactures machinery, systems and components used to convert natural and manmade fibers and their blends into yarns. It is the only supplier worldwide to cover spinning preparation processes as well as all four end spinning processes currently established in the market.
